

## **Be Still**

(Hillsong)

Be still and know that the Lord is in control  
Be still my soul, stand and watch as giants fall

I won't be afraid, You are here, You silence all my fear  
I won't be afraid, You don't let go, Be still my heart and know  
I won't be afraid

Be still and trust what the Lord has said is done  
Find rest, don't strive watch as faith and grace align

### BRIDGE

Surely love and mercy Your peace and kindness  
Will follow me will follow me

---

## **I've heard (Good Good Father)**

Pat Barrett

I've heard a thousand stories of what they think You're like  
But I've heard the tender whisper of love in the dead of night  
You tell me that You're pleased and that I'm never a-lone

You're a good good Father it's who You are, It's who You are, it's who You are  
And I'm loved by You it's who I am, its who I am, its who I am

I've seen many searching for answers far and wide  
But I know we're all searching for answers only You pro - vide  
Because You know just what we need before we say a word

You are perfect in all of Your ways  
You are perfect in all of Your ways  
You are perfect in all of Your ways to us

Love so unde - niable I can hardly speak  
Peace so unex - plainable I can hardly think  
As You call me deeper still as You call me deeper still  
As You call me deeper still into love love love

---

## **So Will I (100 Billion X)**

**Benjamin Hastings**

God of creation, There at the start, before the beginning of time  
With no point of ref'rence, You spoke to the dark And fleshed out the wonder of light

And as You speak, a hundred billion galaxies are born  
In the vapour of Your breath the planets form  
If the stars were made to worship so will I  
I can see Your heart in ev'rything You've made  
Ev'ry burning star a signal fire of grace  
If creation sings Your praises so will I

God of Your promise, You don't speak in vain no syllable empty or void  
For once You have spoken, All nature and science follow the sound of Your voice

And as You speak, a hundred billion creatures catch Your breath  
Responding in pursuit of what You said  
If it all reveals Your nature so will I  
I can see Your heart in ev'rything You say  
Ev'ry painted sky a canvas of Your grace  
If creation still obeys You so will I

(Bridge)

If the stars were made to worship so will I  
If the mountains bow in rev'rence so will I  
If the oceans roar Your greatness so will I  
For if ev'rything exists to lift You high so will I  
If the wind goes where You send it so will I  
If the rocks cry out in silence so will I  
If the sum of all our praises still falls shy  
Then we'll sing again a hundred billion times

God of salvation, You chased down my heart, through all of my failure and pride  
On a hill You created the light of the world, abandoned in darkness to die

And as You speak, a hundred billion failures disappear  
Where You lost Your life so I could find it here  
If You left the grave behind You so will I  
I can see Your heart in ev'rything You've done  
Ev'ry part designed in a work of art called love  
If You gladly chose surrender so will I  
I can see Your heart eight billion diff'rent ways

Ev'ry precious one a child You died to save  
If You gave Your life to love them so will I

(Ending)

Like You would again a hundred billion times  
But what measure could amount to Your desire  
You're the One who never leaves the one behind

---

## **I Give Up**

Laura Story

I belong, I belong to the maker of earth and seas  
Who's as rich as a king, yet so gentle and kind towards me  
I am not cared for by a servant hired  
But a shepherd who would leave the ninety-nine

So when I give up, I gain  
When I let go of having my own way  
When I learn to see my surrender as a brand-new start  
To know the fullness of my father's heart

I will rest, I will rest  
Not in worldly security  
Not in what I may try to control that's controlling me  
What if faith is simpler than I've made it be  
Just a simple trusting in your love for me

For when I give up, I gain  
When I let go of having my own way  
When I learn to see my surrender as a brand-new start  
To know the fullness of my father's heart

My father's heart

So here's my life to take  
Though you've heard this prayer a thousand other days  
Make this moment more than just empty words I say, Let it be a start  
To know the fullness of my father's heart

Take my life and let it be  
Consecrated Lord, to thee

---

## **Take me into your secret place (Surrounded By Holy)**

(Bethel)

Take me into Your secret place, where I'm constantly amazed  
Where the saints and angels bow before You  
There's nothing like Your presence, it's just a glimpse of heaven  
There, where the elders throw their crowns be - fore You

Holy, surrounded by holy, there's no one more holy  
I'm in wonder and awe, in wonder and awe

King, who is wrapped in majesty, You alone will always be  
All creation joins with heaven singing

The more that I enter in, You consume all I am  
I lose my - self in the One who's holy  
As we come face to face You take my breath away  
All I can do is cry holy, holy

The more that I enter in, You consume all I am  
I lose my - self in the One who's holy  
As we come face to face You take my breath away  
All I can do is cry

The more that I enter in, You consume all I am  
I lose myself in the One who's holy  
As we come face to face, You take my breath away  
All I can do is cry holy, holy

---

## Nothing Else

Cody Carnes, Hank Bentley and Jessie Early

I'm caught up in Your presence  
I just want to sit here at Your feet  
I'm caught up in this holy moment  
I never want to leave  
Oh, I'm not here for blessings  
Jesus You don't owe me anything  
More than anything that You can do  
I just want You

I'm sorry when I've just gone through the motions  
I'm sorry when I just sang another song  
Take me back to where we started  
I open up my heart to You

I'm sorry when I've come with my agenda  
I'm sorry when I forgot that You're enough  
Take me back to where we started  
I open up my heart to You

Misc 1:

(Bridge)

I just want You, Nothing else  
Nothing else, Nothing else will do

---

## Abandoned –

Benjamin William Hastings, Brandon Lake, Chris Davenport, Cody Carnes

Something isn't adding up, this wild exchange You offer us  
I gave my worst, You gave Your blood, seems hard to believe  
You're telling me You chose the cross, You're telling me I'm worth that much  
Well if that's the measure of Your love, how else would I sing

But (I'm) completely, deeply, sold-out, sincerely abandoned  
I'm completely, freely, hands-to-the-ceiling enamoured  
My one-life endeavour, to match Your surrender, To mirror not my will but Yours  
I'm completely, deeply, don't-care-who-sees-me abandoned, I surrender all

I just cant get over it, what kind of self-control is this  
When You had angels at Your fingertips, but on the cross You remained  
I cant repay that kind of love, but I can praise with everything Ive got  
Since death had all its power robbed, then just like the grave

Well only You'd have thought it up, this wild arithmetic of love  
Cause none but You would count the cost, and find us worth the pain  
One final breath upon the cross, until the one that woke You up  
So now I'll praise with every breath I've got, cause like the air in the grave

### Bridge

The whole of my heart, the best of my soul,  
Each phase of my life, each breath in my lungs  
Consider it Yours Lord, consider it Yours Lord  
The failures I hide, the victories I don't  
The battles I fight, each crown that I hoard  
Consider it Yours Lord, consider it Yours Lord  
The plans that I've made, these dreams of my own  
Take the best of my will, but if one will be done  
Consider it Yours Lord, consider it Yours Lord  
All the glory forever, the grave that You won  
The praise of the heavens, the kingdom to come  
Consider it Yours Lord, consider it Yours

---

## Amazing Grace (My Chains Are Gone)

Chris Tomlin

Amazing grace how sweet the sound  
That saved a wretch like me  
I once was lost, but now I'm found  
Was blind but now I see

My chains are gone; I've been set free.  
My God, My Savior has ransomed me.  
And like a flood his mercy reigns.  
Unending love, amazing grace

'Twas grace that taught my heart to fear,  
And grace my fears relieved.  
How precious did that grace appear,  
The hour I first believed!

The Lord has promised good to me,  
His word my hope secures.  
He will my shield and portion be,  
As long as life endures.

When we've been there ten thousand years  
Bright shining as the sun  
We've no less years to sing God's praise  
Than when we've first begun

The earth shall soon dissolve like snow,  
The sun forbear to shine.  
But God, who called me here below,  
Will be forever mine.

---

## **Faithful Now**

Eddie Hoagland, Hank Bentley, Jonathan Smith and Mia Fieldes

I am holding on to faith  
'Cause I know You'll make a way  
And I don't always understand, And I don't always get to see  
But I will believe it, I will believe it

You make mountains move; You make giants fall  
And You use songs of praise, To shake prison walls  
And I will speak to my fear, I will preach to my doubt  
That You were faithful then, You'll be faithful now

I am standing on Your Word  
I'm calling heaven down to earth  
And You will fight my enemies, And this will end in victory  
And I will believe it, Yes I will believe it

(Bridge)

And I know that I know You never fail  
Yes I know that I know You never will

---

## **In Jesus Name (God Of Possible)**

Katy Nichole In G

I speak the name of Jesus over you  
In your hurting, in your sorrow, I will ask my God to move  
I speak the name cause it's all that I can do  
In desperation, I'll seek heaven And pray this for you

I pray for your healing, That circumstances would change  
I pray that the fear inside would flee, In Jesus name  
I pray that a breakthrough would happen today  
I pray miracles over your life in, Jesus' name  
In Jesus name

I speak the name of all authority  
Declaring blessings And every promise, He is faithful to keep  
I speak the name no grave could ever hold  
He is greater, He is stronger, he's the God of possible

### Bridge

Come believe it, Come receive it  
Oh, the power of His Spirit is now forever yours  
Come believe it, Come receive it  
In the mighty name of Jesus, all things are possible

### Chorus 2

I pray for your healing, That circumstances will change  
I pray that the fear inside will flee in Jesus' name  
I pray that a breakthrough Would happen today  
I pray miracles over your life, In Jesus name

I pray for revival, For restoration of faith  
I pray that the dead will come to life, In Jesus name  
In Jesus name

---

## WHO ELSE

### Gateway Worship

I am an instrument of exaltation  
And I was born to lift the name above all names  
You hear the melody of all creation  
But there's a song of praise that only I can bring

Who else is worthy?, who else is worthy?  
There is no one, only You, Jesus  
Who else is worthy?, who else is worthy?  
There is no one, only You, Jesus

You are the infinite, God of the ages  
Yet You chose to make my heart Your dwelling place  
You healed my brokenness, showed me Your glory  
So, I have songs of thanks not even angels sing

### Bridge

Lamb of God, anointed one, who was and is and is to come  
Seated on the throne above, Holy, holy  
Righteous One who shed His blood to prove to us the Father's love  
Jesus Christ, be lifted up, Holy, holy

---

## YESTERDAY TODAY AND TOMORROW

Aodhán King

You know my heart, you know my scars, And everything I've hidden  
You've seen my worst and still return, To help me up and carry  
All of the things I bear, the things that weigh me down  
Lord, you remind me, I'm surrounded here and now

Ooooooh, yesterday I saw your favour  
Ooooooh, tomorrow I'll believe for greater  
Ooh, and all that I could ever need today  
I have found within the promise of your grace

It's supernatural but tangible and real  
That you would walk with me and feel the things I feel  
It's unexplainable that you would choose the cross  
Just for a chance that I would come to know your love

### Bridge

You're with me in the morning, You're with me when the sun goes down  
You're faithful like no other, No, you can never let me down  
You catch me when I'm falling, You're everything I need right now  
You're faithful like no other, No, you can never let me down  
No, you can never let me down

### Chorus

Ooooooh, yesterday I saw your favor  
Ooooooh, tomorrow I'll believe for greater  
Ooh, and all that I could ever need today  
I have found within the promise of your grace

---

## **HOLD ON**

Katy Nichole

Smoke clouds all around, Couldn't see Your face  
Darkness consumed me, Stuck in the bitterness

But I know there's a light, that's waitin' up ahead  
So I'll stay in the fight, and look to the One who said

"Hold on just a little bit longer, I know it's gonna be okay  
These days are gonna make you stronger, You'll find purpose in the pain  
Hold on just a little bit longer, Deep down, there's a well of faith  
Let hope arise as you're liftin' up My name  
And just hold on , Just hold on, hold on"

Your promise, it still stands, It's chasin' after me  
The rainbow through storm clouds, Is how I'm gonna see

Bridge

Just wait 'til  
you see what's at the end of the road  
A new life is ready to unfold

---

## **Worthy of every song (Build my Life)**

Housefires

Worthy of every song we could ever sing  
Worthy of all the praise we could ever bring  
Worthy of every breath we could ever breathe  
We live for you

Jesus a name above every other name  
Jesus the only one that could ever save  
Worthy of every breath we could ever breathe  
We live for you  
We live for you

Holy there is no one like you, There is none beside you  
Open up my eyes in wonder  
Show me who you are, And fill me with your heart  
And lead me in your love to those around me

Bridge:

I will build my life, upon your love  
It is a firm foundation  
I will put my trust, in you oh lord  
And I will not be shaken
