

Guidance for sending WCC Prayer Texts

Suggested topics for prayer texts

The following topics are intended as guidance only. Please don't feel that you must be constrained by these topics but do make sure you listen to The Spirit and go where he leads you.

Monday	highlight from Sunday's meeting (prophetic word or sermon)
Tuesday	church life (e.g. small groups / local community / youth / children's work)
Wednesday	missionaries / the world
Thursday	the Hub: contracts, safe building, personnel, future
Friday	outreach e.g. toddlers, dads out, street pastors
Saturday	worship or news event
Sunday	meeting together

General guidance for composing prayer texts

- Don't use long or complicated texts from songs or the bible
- The NIV, ESV and the Message bible translations are recommended
- Think carefully about potentially contentious issues
- Only text about named individuals if directed by Paul & Francesca

Sending WCC Prayer Texts using WhatsApp

Starting the 4th May 2026 the prayer text is being communicated using a WhatsApp Community called "WCC Daily Prayer Text" which has the icon shown here. Those who are part of the WCC Prayer Text Ministry are Administrators in this WhatsApp Community and those who are signed up to receive the prayer texts are Members of the WhatsApp Community.

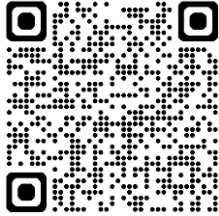

How to send a Prayer Text

Posting messages to the new WhatsApp community is just like posting on any other WhatsApp group, as follows:

1. Open WhatsApp on your own smartphone, tablet or computer
2. Select the "WCC Daily Prayer Text" Community Announcement group from your list of groups
3. Type your message into the text box
4. Click the Send button

How to add new members to the Community

- This is done by making the following invitation available to them:
 - web address: <https://chat.whatsapp.com/Kq7cUxPmola0ulQ0rsu6yL>
 - scannable QR-code:

Differences between WhatsApp Community Administrators and members

If you're interested to know the details of this then read on. Note that you don't need to understand this in order to send prayer texts 😊.

Administrators of the Community

- can post messages into the Announcements Group in the Community
- please don't add any further groups to the Community

(Non-administrator) Members of the Community

- can see messages posted to the Community by administrators
- can see the names and telephone numbers of administrators who post messages
- can react (with an emoji) and reply (with text) to the announcements
- can see the reactions and replies that other members have made to messages
- can see the names of other members who react or reply to messages
- can see the telephone numbers of members who react or reply to messages **only if** they already have these members as contacts in their own individual WhatsApp accounts

Please don't hesitate to contact Andy White or the Connect team if you have any questions.
