

6th March 2022

Welcome

Welcome to our morning meeting - whether you've been coming here for years or this is your first time here - we want you to feel at home. Feel free to join in with as much or as little as you want and if you have children please don't feel that you have to keep them quiet and still throughout. Although do be aware of other's need for space or social distancing.

This morning Lucy Harbour is leading worship with Neil & D leading the meeting. D Townsend will be speaking from our series in Acts and after the worship there is kids work for children (0-11s) and youth running upstairs.

COVID: given the most recent government guidance, we are now operating as follows: no one is required to wear a mask however, we ask you to respect those around you who may choose to continue doing so and respect each other's social distance. We will continue to ensure there is appropriate ventilation in the rooms used during meetings.

Salt and Light update meeting
As you may be aware, Wantage Community Church is part of Salt and Light. In recent months a couple of significant changes have occurred in the network, and we wanted to share that information. To that end, we are holding an online event across the OpenGate group of churches at which we will show an update video, and have a time of Q and A. Steve Jones, the leader of our Salt and Light Advance sphere, will join us and will be helping to answer the questions. It will be on Thursday the 17th of March at 8pm.
